Size Limits

| | |
|----------------------|---------|
| Maximum panel width | 900 mm |
| Maximum panel height | 2100 mm |

R9 RESIDENCE 9

RESIDENCE 9 is a window and door system designed to authentically replicate 19th Century timber designs.

Residence 9 is a clever blend of old and new. It fuses classic aesthetics with a twist of modern materials. The modern composite material lends itself to the sometimes frantic pace of modern living by being virtually maintenance free; no painting or staining required, so you can spend more time doing the things you love.

Traditional sightlines

Uniquely engineered 'easy clean' rebates

Leading thermal and acoustic performance

Over 40 colour options

Designed and made in the UK
