ALUK[®] PALLAZZO

THE MODERN, EFFORTLESSLY STYLISH NEW BIOCLIMATIC PERGOLA AND LOUNGE

Embrace outdoor living the whole year round with Palazzo's incredible remote controlled motorised blade system which allows you to adjust the roof for solar shading, ventilation, illumination and rain protection depending on the season. The pergola can be designed to cover your terrace and extend the living area of your home, or create a luxury space anywhere in your garden with its robust freestanding configuration.

Pallazzo combines perfectly with our optional glass walls, sliding doors and integrated LED lighting, so your new relaxation spot, garden lounge or barbecue space can be enjoyed through the evening and into the night.

Full aluminium construction

Motorized, remote controlled roof blades.

Optional Bluetooth module for control from your phone or tablet.

Optional rain sensor automatically closes roof for rain cover.

Large spans - up to 6m

Hidden water drainage and fixings

7 standard colours and 100+ RAL Colours

Optional glass sliding doors and walls

Optional integrated White or RGB LED lighting
