ALUK[®]

THE REFINED FOLDING SLIDING DOOR

A slim and elegant bi-fold door with thinner sightlines and an interlock of just **122mm**. The F82 system creates larger glazed panels without compromising on performance. Newly designed lever and flush T-handles complete the contemporary look. Aluk F82 bi-folding doors also offer HD compact slim stainless steel rollers as standard, allowing for a smooth movement whilst opening and closing and easy handling of weights up to an incredible 150KG per panel.
